

PARKS AND RECREATION SPONSORSHIP OPPORTUNITIES

The City of Orangeburg Parks and Recreation Department is excited to partner with organizations and businesses throughout the Orangeburg community to support our Youth Athletic Programs. Your donation will provide equipment and supplies for our teams as well as services such as umpires, score keepers, maintenance, and improvement on sports fields.

Please choose the level of sponsorship that best fits your organization. If you are not able to donate at a highlighted sponsor level, we encourage you to contribute an amount that is right for you. Please contact the City of Orangeburg Parks and Recreation Department at (803) 533-6020 for additional information.
